The soul of a colour is revealed in its pure state, an essential emotion born of a force of nature.
The revelation continues. Discover the colour of the year and the 8 new tonalities amongst the collection’s four chromatic ranges. Inspire yourself, combine them and express yourself without limits.
Neutral Revelation

Colours, materials and textures that convey purity in the quest for balance and serenity.
Neutral Revelation

**Linen #E684.** Linen, an age-old fabric that brings to mind decorative notes over generations... a creamy, slightly yellowish white that evokes sensations of luminosity, coolness and well-being.

**Savasana #E727.** Breathe in deeply. Breathe out. Practice savasana, a colour that, like yoga, weeps to up in a pleasant feeling of tranquility and balance.

**Greige #E683.** The ideal proportion for a neutral, timeless balance. A blend between grey and beige, perhaps influenced by the French word orpège which means raw silk.

**Taupe #E731.** An unconditional presence in fashion and decoration. Taupe is a colour between brown and grey. The word derives from the French which means umlume.

**Alpaca Grey #E670.** Alpaca, a wonderful wool in 22 natural colours... a fibrous, slightly yellowish grey that inspired the colour that will tell the home in a natural, refined fashion.

**Greige #E683.** The natural elegance of the famous Carrara marble inspires the refined, slightly greyish white.

**Simply Grey #E730.** Simply neutral... a touch of light blue that breathes life, tenderness and well-being.

**Simply Grey #E676.** Simply neutral... a touch of light grey that breathes life, tenderness and well-being.

**Stromboli #E677.** It’s called Stromboli and it’s a warm, slightly purpleish grey, inspired by the red cone of the Italian volcano of the same name.

**NEW Charcoal #E734.** Dark and dense, an elegant building that highlights the dimension and submerges you in an ever-trendy atmosphere.
Life slips by in tiny fractions of time. There is a fragment of eternity in each instant.
Red Revelation

A house is a place that speaks of emotions with colours and scents that are gentle, sensitive and pleasing.

Red Revelation

Rose Blush
A rose of a soft and light hue, silky and infatuating like the touch of fine grains of sand falling through the fingers and borne away on a gentle breeze.

New Blush
A pastel, ultra-light blush, in a pastel pink and greyish teal. Today's trendiest colour... to be applied without hesitation in every nook and cranny of the home.

Cameo Pink
The cameo is back... and it’s never been as topical! Chic, irresistible and feminine!

NEW Red Clay
The red clay reflects the mineral character of the earth, purity and craftsmanship and brings a tone of marked personality.

Nude
A perfect skin tone that makes you feel like touching it at first sight.

Burgundy
An opulent, modern shade of wine, inspired by the typical brownish dark red of the French wine of the same name.

Bouquet
This colour has a surprising, thrilling effect, like the bouquet of roses blooming splendidly in the heart of the home.

Turmeric
In the vast mosaic of the colours of India, the rich yellow of turmeric recalls the typical aromas, flavours and landscapes of the country.

Canyon
Embody the soft touch and personality of limestone and sandstone sculptures, depicting emblematic scenarios of the canyons of North America.

NEW Pink Oyster
A sweet fusion of pink and orange, inspired by the spontaneous shades of pink oyster mushrooms.
There is a kind of beauty that is universal and axiomatic, something that embraces us with a certain elusiveness as we ponder it.
Color of the season

Nature has revealed Pink Oyster to us, a colour of luminous beauty that invites you to forget the conventional and awaken your cheerful and optimistic side.

Pink Oyster #E735

Blue Revelation

One can lend colour to calm and intensity, to stillness and movement, to rest and vitality.
Blue Revelation

**Blue Revelation**

**#E721 Glossy Blue**
A soft mineral blue almost transparent. A calm and imperceptible color, able to create an atmosphere of eternity around us.

**#E730 Caelum**
The color of calm and silent passage of clouds. The perfect tone to escape and daydream.

**#E697 Mare Nostrum**
A Latin expression which, through this color, conveys the history, color and heritage of a sea that belongs to us all. A unique blue, the color of the Mediterranean.

**#E722 Navy Blue**
A blue that brings the horizons of the high seas. A blue that will never go out of fashion and always at the vanguard of decoration.

**#E696 Into the Blue**
This is the blue of the immense sky that takes us further away, and the infinite. Something in the blue of the sea, of peace and air. Breathe deeply.

**#E703 Sea Clay**
A natural colour, inspired by sea clay, thousands of years old. A greyish-gray tone that fills space in a balanced way.

**#E712 Petrol Blue**
This is our petrol blue! The deep and dark, permanently shifting between blue and green. Magnificently undefinable.

**#E701 Bleu Canard**
From the French word. A trendy, historical shade in the fashion lexicon, halfway between blue and green, originating in the typical colour of the feathers of certain ducks.

**#E740 NEW Seaside**
The slow passage of time. The calm sea. The breeze at siesta time. The blue Seaside immerses you in a perpetual summer.

**#E739 NEW Light Blue**
A vaporous blue, so discreet and delicate that it seems to fade away. It recalls the tenuous crystalline transparency of water.
In our deepest dreams we can soar in a boundless sky and dance in the ocean to the rhythm of the waves.
Green Revelation

With its different shades and forces, nature fills our space with life.
Green Revelation

- **Succulent Green #6124**
  - The home is nourished by the warmth and freshness of this colour, inspired by the semi-translucence of succulent plants.

- **Liquen #6137**
  - An organism formed by a fungus and an alga, liquen green is also the name of a colour used in decoration and fashion to evoke graphic light green tones.

- **Sage Green #6123**
  - This natural green is associated with health and vitality, just like sage leaves. Elegant and timeless, an ideal tone for balance and harmony.

- **Malachite #6130**
  - Green and proud. Intense but optimistic. A colour that speaks of minerals like malachite, which is widely used in decoration.

- **Caribbean #6120**
  - A cool, aquatic and tropical-like medium green that evokes the Caribbean Sea and its idyllic scenery.

- **Khaki Vert #6117**
  - The word derives from the Persian «ikhak» which means dust or the colour of earth. Used by armies as camouflage, this greenish khaki is today a must-have colour in fashion.

- **NEW Olive #6137**
  - The natural appearance of olive green evokes an organic and serene lifestyle, where simplicity and comfort prevail.

- **Mustard #6114**
  - A shade used mainly in fashion and decoration. A shady yellow which, applied in the right proportion, turns out to be a striking punch of colour in the décor.

- **Verdigris #6106**
  - The name given to the historic bluish-green pigment resulting from the oxidation of copper. Today, this shade combines with current trends to reveal an elegant and sophisticated colour.

- **NEW Rainforest #6138**
  - A homage to nature and ecology. A celebration of life.

Rainforest clothes you in the colour of the immensity of a forest.
With its innate, exuberant vigour, the natural devours the fake to reclaim what is original and authentic.
Two more shapes are added to the primary colour symbols to represent white and black. When combined with other colours, these will turn them either lighter or darker.
